RE: *United States v. Gerald A. Darby*, Case No. 2:16cr36 – Suppression

Dear Judge Doumar:

The defense writes to provide supplemental authority bearing on Defendant's Second Motion to Suppress, which the Court has taken under advisement. Defendant's Second Motion to Suppress cited a Report and Recommendation out of the Northern District of Oklahoma which recommended suppression of all evidence obtained through the same NIT Warrant at issue in this case. *See* ECF No. 18, at 4.

Yesterday, United States District Judge James H. Payne affirmed and adopted the Report and Recommendation and granted the defendant's motion to suppress. *United States v. Arterbury*, Crim. No. 15-182, ECF No. 47 (N.D. Okla. May 12, 2016). Both the Report and Recommendation and the order adopting and affirming it are attached for the Court's review.

Sincerely,

Rodolfo Cejas, II
